DEVELOPMENTS

•CED Sportival

Highlights from an action-filled CED Sportival, where passion, sports, and people came together for two epic days in New Alamein City.

•Alamein Run

500+ runners owned the streets of New Alamein and Abu owned the stage. A big thank you to everyone who joined the City Edge Alamein Run and made the 30 Days Challenge such a success!

•Sayfi Beach Summer Activations

Transforming Sayfi Beach into a vibrant summer destination. Each weekend featured a unique concert, attracting crowds and creating unforgettable moments by the sea. The images below capture highlights from these weekly events, showcasing the energy and excitement that defined New Mansoura's beach experience this season.

•Areej - New Mansoura

We're excited to announce that the 2nd Phase "AREEJ" is now completely **SOLD OUT**. Stay tuned for upcoming phases and new opportunities as we continue to develop New Mansoura's most vibrant destination.

•V40 Compound Construction Update

We are pleased to announce that construction has officially commenced on the V40 residential compound in New Cairo. This milestone marks a significant step forward in bringing this premium community to life.
